GENERAL BUSINESS

Exit of Woolworths, Durham St

LC: Residents have rallied to get parking back, my understanding from previous meeting is that once the development is completed, there will be alternative access to the site through Hill Street. Is that correct and when will the development be completed?

HH: Yes, there will be alternative access on Hill Street. Development completion is dependent on the developers.

LC: I will pass this information back to the residents.

Potholes along Halstead Rd, South Hurstville

WD: There are a number of potholes on Halstead Street that require repair. Do you want a formal request put through?

HH: We will note the request.

George St & Forest Rd Intersection, Hurstville

WD: We note that traffic signals are not warranted from previous investigations regarding this intersection. Will Council be looking into other methods to improve the intersection?

HH: Council will investigate this next financial year to determine other methods to improve the intersection.

Caravan Parked, Hearne St off Boundary Rd

WD: Are there any provisions to have this illegally parked caravan moved?

HB: Under *Properties Act* when this act came into force, there was a 28 day rule. We are unlikely to progress with removing illegally parked cars, the state government needs to look at this so that across state and local government we have consistent outcomes. Council will look into this further.

WD: We will send a formal request.

Forest Rd & Stoney Creek Rd - Give Way Sign

WD: Several near misses at this intersection, is this under the jurisdiction of the state government?

KS: Yes, TfNSW will have a look.
