GENERAL BUSINESS

Moons Ave, Lugano

LK: Veteran approached Clr L Konjarski on Anzac Day regarding Moons Ave, Lugarno. There is a 8m yellow line located at the bottom end of the avenue. The residents are not sure what the line marking indicates. There was some correspondence between Council and residents about putting No-Stopping signs but the signs have not been installed.

JM: Council officers will follow up on this item.

Rona St, Peakhurst

LK: Approached by residents of 30 Rona St, another resident is parking close and making it difficult to see down the street when turning in. They cannot get their garbage bins out as the street is full of cars. Residents of 30 Rona St believe the offender is located at 27 Rona St and that they are also using the street as an area to fix cars.

JM: Council officers will follow up on this item.

53 Moons Ave, Lugarno – Line Marking

WD: Vehicle parked there, painted line marking has been completed.

JM: Council will notify the resident and this item will go to the next Traffic Committee Meeting for approval.

Roundabout Mortdale 'B' Streets

WD: Has there been an update regarding Mortdale 'B' streets roundabout? Council was awaiting response from TfNSW at last Traffic Committee Meeting.

JM: Still waiting on TfNSW for approval.

TT: Unfortunately, I cannot give an update as this is being looked after by a different department. Council will be provided an update by formal means when the grant is approved.

Stanley St, Peakhurst

WD: Any parking updates?

JM: Council officers have investigated, it is the speed hump that is causing delay. Hopefully, this will be up for discussion again during July Traffic Committee Meeting.

Cones

LK: Cones, where we were discussing previously. Have these been put out by Council?

JM: The cones are not related to any Council matters.

Traffic Study for Bridge St & Penshurst St, Penshurst

NS: Is there potential for a Traffic Study to be complete around Penshurst Station – Bridge St & Penshurst St as a way to improve flow of traffic?

JM: Please note that during the 2024/25 financial year, Council already has a few Traffic Studies lined up which are significant expenses. Please provide further details about what is being requested, Council can try to investigate for future potential.

OPEN SESSION

RECOMMENDATION: Member Crompton, Member Chaplin

That the meeting revert to Open Session, the time being 10:23 am.

Record of Voting

For the Motion: Member Chaplin, Member Crompton, Mr W Delezio, Chair Smerdely

On being PUT to the meeting, voting on this Motion was UNANIMOUS. The Motion was CARRIED.

CONFIRMATION OF RECOMMENDATIONS FROM CLOSED SESSION

RECOMMENDATION: Mr W Delezio, Member Crompton

That the recommendations from the Closed Session be confirmed as recommendations of the Committee.

Record of Voting

For the Motion: Member Chaplin, Member Crompton, Mr W Delezio, Chair Smerdely

On being PUT to the meeting, voting on this Motion was UNANIMOUS. The Motion was CARRIED.

CONCLUSION

The Meeting was closed at 10:24 am.

Chairperson

COMMITTEE REPORTS

Item: TAC031-24 Bellevue Parade, Allawah - Proposed Traffic Changes

Author: Senior Traffic and Transport Engineer

Directorate: Assets and Infrastructure

Matter Type: Committee Reports

TAC031-24

RECOMMENDATION

That a 20m 'Bus Zone, 8:00AM to 9:30AM and 2:30PM to 4:00PM, Monday to Friday, School Days Only' be installed on the northern side of Bellevue Parade, Allawah, adjacent to Church Lane, as per the plan in the report.

EXECUTIVE SUMMARY

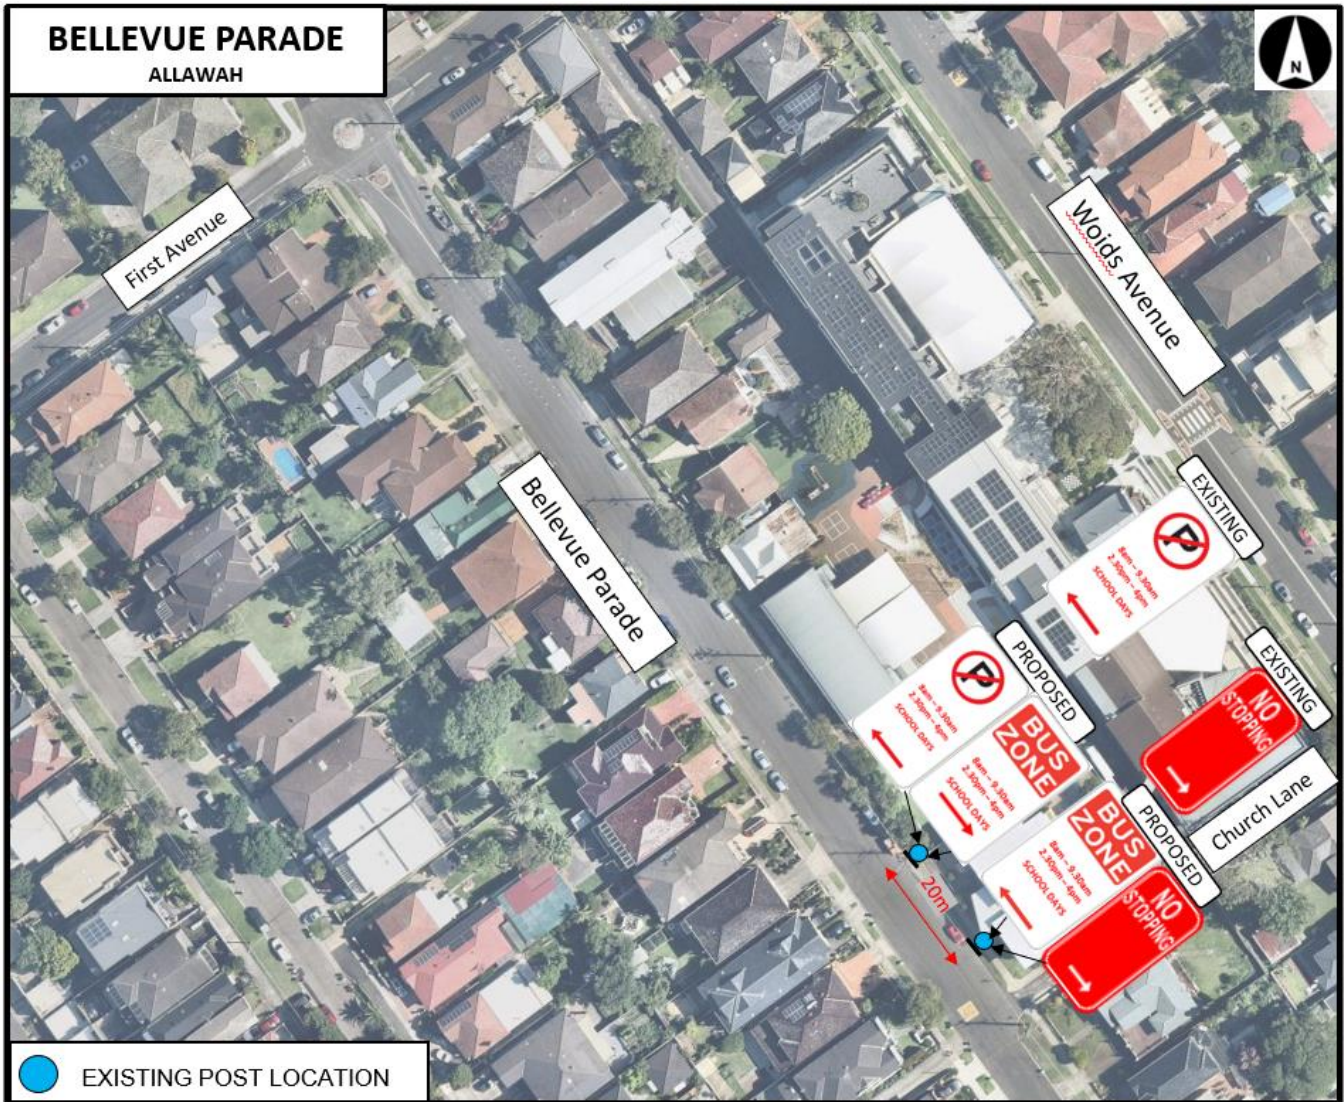

1. This report seeks the Committee's consideration of the installation of a 'Bus Zone' at Bellevue Parade, Allawah.

BACKGROUND

2. Council has received multiple requests from residents, parents of children that attend St George Christian School, and local MPs to review the current traffic movements along Bellevue Parade, Allawah during school peak periods.
3. Bellevue Parade is an unclassified local road with unrestricted parking throughout the day. 'No Parking' restrictions are enacted during school peak periods only.
4. Council officers have investigated the concerns raised and undertaken consultation with St George Christian School to assess the existing traffic conditions and identify road safety issues, particularly during the afternoon pick up period.
5. St George Christian School advised they require a formalised 'Bus Zone' to assist with ensuring children can safely be dropped off, and picked up, by bus services.
6. Council officers have observed that during the school afternoon pick up period, long vehicle queues and delays are experienced by motorists along Bellevue Parade. Council officers observed that motorists would travel in the centre of the road and accelerate to bypass the queued vehicles.
7. Council officers have assessed that the implementation of double dividing line marking, extending the 'No Parking' restrictions and implementing a bus zone fronting school property adjacent to Church Lane will improve safety at this location.
8. Based on the number of objections received from the community regarding loss of on street parking, the proposal of double dividing line marking and extending the 'No Parking' restrictions has been withdrawn at this stage. Council will revisit the proposal in the future should the traffic safety issue not be resolved.

PROPOSAL

9. That 20m of existing unrestricted parking on the northern side of Bellevue Parade adjacent to Church Lane be converted into a 'Bus Zone, 8:00AM to 9:30AM and 2:30PM to 4:00PM, Monday to Friday, School Days Only'.

FINANCIAL IMPLICATIONS

10. Within budget allocation – TfNSW Traffic Facility Grant – approximately \$300 for signage.

COMMUNITY ENGAGEMENT

- 11. The proposed changes will impact the existing parking restrictions along Bellevue Parade. This requires consultation letters to be distributed prior to any recommendations to Council.
- 12. Council officers distributed consultation letters to the affected residents on Bellevue Parade, Allawah regarding the proposal.
- 13. Council has received 9 responses, 1 response 'Strongly in Favour' and 8 responses 'Strongly Against' the proposal.
- 14. The responses 'Strongly Against' the proposal relate to the loss of unrestricted all day on-street parking for the proposed 'No Parking' extension and 'Bus Zone' installation.

Item: TAC032-24 53 Moons Avenue, Lugarno - Pavement Line Marking
Author: Senior Traffic and Transport Engineer
Directorate: Assets and Infrastructure
Matter Type: Committee Reports

RECOMMENDATION

- a) That 'painted island' pavement line marking be approved at the frontage of 53 Moons Avenue, Lugarno, as per the plan in the report.

EXECUTIVE SUMMARY

1. This report seeks the Committee's consideration to approve 'painted island' pavement line marking fronting 53 Moons Avenue, Lugarno.

BACKGROUND

2. Council received requests from a local resident to investigate installing pavement line marking to prevent vehicles parking outside and blocking the front entrance of 53 Moons Avenue, Lugarno.
3. The resident at 53 Moons Avenue identified that they have health complications that requires an oxygen machine, which is difficult to manoeuvre in and out of their home with vehicles parked outside the front entrance.
4. The resident also identified that vehicles parked directly outside the front entrance prevent emergency vehicles and personnel from accessing their property.
5. Council officers investigated the concerns raised and observed that the property boundary, and associated front entrance to the home, is located directly adjacent to the kerb. As a result, parked vehicles in this location completely obstructs any ingress into, and egress from, the property.
6. 'Painted island' pavement line marking was subsequently installed in April 2024 outside the front entrance of 53 Moons Avenue, Lugarno to assist with this issue by giving a visual indicator to vehicles parking in the area.
7. Council has received further requests from the resident to undertake enforcement to prevent vehicles parking over the 'painted island', and provided several images of vehicles ignoring the line marking and parking over it.
8. In order to undertake enforcement, as per Road Rule 2014 – Reg 197 (a driver must not stop on a painted island), Council seeks the Committee's approval of the pavement line marking fronting to 53 Moons Avenue, Lugarno

PROPOSAL

9. That 'painted island' pavement line marking be approved at the frontage of 53 Moons Avenue, Lugarno.

FINANCIAL IMPLICATIONS

10. No financial implications associated with this report – the ‘painted island’ pavement line marking has been installed.

COMMUNITY ENGAGEMENT

11. The proposed changes will impact the existing parking restrictions along Moons Avenue. This requires consultation letters to be distributed prior to any recommendations to Council.
12. Council officers distributed consultation letters to the affected residents on Moons Avenue, Lugarno regarding the proposal.
13. No responses were received.

Item: TAC033-24 16 Riverview Avenue, Kyle Bay - Proposed "Works Zone"
Author: Traffic Engineer
Directorate: Assets and Infrastructure
Matter Type: Committee Reports

TAC033-24

RECOMMENDATION

- a) That a 9m "Works Zone, 7am – 5pm Mon – Sat" be installed fronting No. 16 Riverview Avenue, Kyle Bay for a duration of 60 weeks commencing July 2024, as per the plan in the report.
- b) That the original parking restrictions be reinstated at the completion of the 'Work Zone' period.

EXECUTIVE SUMMARY

1. This report seeks the Committee's consideration of the proposed 'Works Zone' fronting No. 16 Riverview Avenue, Kyle Bay.

BACKGROUND

2. The builder of a Council approved development at No.16 Riverview Avenue, Kyle Bay (DA2022/0100), has requested for a 'Works Zone' to be placed fronting their development.
3. The requested period of the proposed 'Works Zone' is 60 weeks commencing July 2024.
4. The proposed 'Works Zone' will provide an area where vehicles associated with the works can park, allowing safe and direct access to the site.
5. Currently there is unrestricted parking along Riverview Avenue, Kyle Bay.

PROPOSAL

6. It is proposed to install a 9m 'Works Zone, 7am – 5pm Mon – Sat' in front of No. 16 Riverview Avenue, Kyle Bay.

FINANCIAL IMPLICATIONS

7. No budget impact for this report, all associated costs to be borne by the developer.

COMMUNITY ENGAGEMENT

8. The developer must notify the residents in the area a minimum of two weeks prior to the installation of the work zone.

Author: Graduate Engineer - Traffic and Transport

Directorate: Assets and Infrastructure

Matter Type: Committee Reports

TAC034-24

RECOMMENDATION

- a) That a 11m "Works Zone, 7am – 5pm Mon – Sat" fronting No. 1 Mayor Street, Kogarah Bay, west of Carlton Crescent, be installed for a duration of 78 weeks commencing end of June 2024, as per the plan in the report.
- b) That the original parking restrictions be reinstated at the completion of the 'Works Zone' period.

EXECUTIVE SUMMARY

1. This report seeks the Committee's consideration of the proposed 'Works Zone' fronting No. 1 Mayor Street, Kogarah Bay.

BACKGROUND

2. The builder of a Council approved development at No. 1 Mayor Street, Kogarah Bay has lodged a request for a 'Works Zone' to be placed fronting their development.
3. The requested period of the proposed 'Works Zone' is 78 weeks commencing end of June 2024.
4. The proposed 'Works Zone' will provide an area where vehicles associated with the development can park, allowing safe and direct access to the site.
5. Currently there is unrestricted parking restrictions on both sides of Mayor Street.
6. Due to the promise to the intersection with Carlton Crescent, the developer is to provide warning flashing lamps and signage at the southern-most end of the 'Works zone' to advise vehicles turning into Mayor Street.

PROPOSAL

7. It is proposed to install a 11m "Works Zone, 7am – 5pm Mon – Sat" fronting No. 1 Mayor Street, Kogarah Bay.

FINANCIAL IMPLICATIONS

Item: TAC036-24 Proposed regulatory "No Stopping" restrictions - Rossi Street, South Hurstville

Author: Graduate Engineer - Traffic and Transport

Directorate: Assets and Infrastructure

Matter Type: Committee Reports

RECOMMENDATION:

That regulatory "No Stopping" signage be installed on Rossi Street, South Hurstville at the intersection with Connells Point Road, as per the plan in the report.

EXECUTIVE SUMMARY

1. This report seeks the Committee's consideration to install regulatory "No Stopping" signage on Rossi Street, South Hurstville at the intersection with Connells Point Road.

BACKGROUND

2. Rossi Street and Connells Point Road, South Hurstville are unclassified local roads. Their current road widths are 10m and 12m kerb to kerb, respectively, with unrestricted parking on both streets.
3. Council has received multiple requests from local residents to investigate this intersection to assess the existing traffic conditions and safety of vehicles.
4. Council officers have observed that vehicles currently park within 10m of the intersection on Rossi Street. This is a safety concern as it affects sight lines and vehicles' ability to manoeuvre the intersection.
5. As per NSW Road Rules – Reg 170, vehicles are not permitted to park within 10m of an intersection.
6. There is existing regulatory "No Stopping" signage on the eastern side of Connells Point Road, at the intersection with Rossi Street.
7. Currently, there is no signage on Rossi Street, at the intersection, to advise motorists where to park.

PROPOSAL

8. It is proposed to install regulatory "No Stopping" signage on Rossi Street, South Hurstville.

TAC036-24

FINANCIAL IMPLICATIONS

9. Within budget allocation – TfNSW Traffic Facility Grant – approximately \$400.

COMMUNITY ENGAGEMENT

- 10. The proposed changes will comply with NSW Road Rules – Reg 170.
- 11. Council officers have distributed notification letters to the affected residents on Rossi Street, South Hurstville.
