GENERAL BUSINESS

1. Bookable Update (Coordinator Programming and Operations)
2. Community Strategic Plan Consultation (Coordinator Programming and Operations)

CONCLUSION

The Meeting was closed at 7.12pm.

Chairperson

COMMITTEE REPORTS**Item:** SAC002-25 Play Her Way Strategy**Author:** Coordinator, Programming and Operations**Directorate:** Community and Culture**Matter Type:** Committee Reports**RECOMMENDATION:**

1. That the Georges River Council Sports Advisory Committee receive and note the verbal presentation from the Manager Partnerships and Participation, Sector Performance Policy and Planning, NSW Office of Sport, providing an overview about the NSW Office of Sport Play Her Way strategy.

EXECUTIVE SUMMARY

1. The verbal presentation provides an overview of the NSW Office of Sport Play Her Way strategy (the strategy).
2. Play Her Way is a four-year plan that aims to get more NSW women and girls playing, and staying involved in, sport.
3. The strategy builds on the groundswell of support for women's sport at both grassroots and professional levels.
4. Key themes of the strategy include:
 - (a) Participation;
 - (b) Leadership;
 - (c) Culture;
 - (d) Partnerships; and
 - (e) Investment with a particular focus on addressing the low rates of participation among adolescent girls.

FINANCIAL IMPLICATIONS

5. No budget impact for this report.

RISK IMPLICATIONS

6. No risks identified for this report.

Item: SAC003-25 Premium Facilities Update

Author: Manager Premium Facilities

Directorate: Assets and Infrastructure

Matter Type: Committee Reports

RECOMMENDATION:

That the Georges River Council Sports Advisory Committee receive and note the Premium Facilities Update report from the Manager Premium Facilities.

EXECUTIVE SUMMARY

1. Premium Facilities and Tier One Turf Fields are transitioning from summer to winter sport at all levels, with the NSW Football National Premier League (NPL1) competition commencing in February and a Pre-season National Rugby League (NRL) fixture at Netstrata Jubilee Stadium for the Dragons on Sunday, 16 February 2025. Cricket finals are scheduled for the last weekend in March 2025.

BACKGROUND

2. **Penshurst Park** – Home to St George City Football Association and Hurstville Zagreb Football Club. Pre-season training and trial games for NPL1 commenced in January 2025 with full competition commencing in February 2025. The facility has been extensively utilised through November and December 2024 and January 2025 with holiday clinics, pre-season football training and junior cricket training. With the commencement of the school year, school bookings will be back through the week during school hours.
3. **Netstrata Jubilee Stadium** – The St George Dragons Junior Representatives commence their rugby league season at the stadium on Saturday, 15 February 2025 the day before the NRL double header pre-season game on Sunday, 16 February 2025, that features games between the Canterbury-Bankstown Bulldogs and the Wests Tigers, followed by the St George-Illawarra Dragons and the Sydney Roosters.

The St George-Illawarra Dragons will play 6 competition games this season at the venue. The St George-Illawarra Dragons have been training at the stadium most Fridays in the lead up to the NRL season, with more sessions scheduled throughout the year.

There are four NPL1 fixtures during the winter season scheduled for Sydney Olympic Football Club and the stadium is a proposed home ground for Sydney Olympic Football Club in the National Second Tier Football Competition that will take place from October 2025.

4. **Tier One Turf Fields** – Hurstville Oval, Olds Park and Harold Fraser Oval have served the cricketing community well over the summer and it is predicted that finals are expected for some of the grades in the St George District Cricket Club.

The transition to winter sports for these grounds is expected following the cricket finals series in April.

5. **Norm O'Neill Cricket Training Centre** – At the meeting held on 25 November 2024, Georges River Council resolved to seek expressions of interest from suitably experienced and qualified organisations with a potential to repurpose the facility to align with needs identified in the 2024 Georges River Community Infrastructure Needs Assessment and Acquisition Area Strategy (CCL091-24).

The facility will continue to operate as an indoor cricket training facility for the next 12 months during the Expression of Interest process. The outdoor wickets will be decommissioned in March 2025.

FINANCIAL IMPLICATIONS

6. No budget impact for this report.

RISK IMPLICATIONS

7. No risk to Council identified.

COMMUNITY ENGAGEMENT

8. No Community engagement required for this report.

Item: SAC004-25 Sporting Infrastructure Capital Works Update
Author: Manager City Technical Services
Directorate: Assets and Infrastructure
Matter Type: Committee Reports

RECOMMENDATION:

2. That the Georges River Council Sports Advisory Committee receive and note the verbal presentation from the Manager City Technical Services providing an update on Sporting Infrastructure Projects within Council's 2024/25 Capital Works Program.

EXECUTIVE SUMMARY

1. The verbal presentation is consistent with Council's Capital Works Program, providing an update of sporting projects within the 2024/25 Capital Works Program.

FINANCIAL IMPLICATIONS

2. No budget impact for this report.

RISK IMPLICATIONS

3. Strategic Risk 3: Assets and Infrastructure: The Capital Works Program identifies projects to meet the evolving needs or expectations of the community, particularly in terms of quality, capacity, and resilience.

COMMUNITY ENGAGEMENT

4. Community engagement will be conducted during the design and construction stages of the capital works projects to ensure stakeholders are aware of the work and their needs considered.

Tom Heath – Manager City Technical Services

Stage 1 – DA Execution Progress

Stage 2 – New Aquatic Facility

Council Meeting September 2024

NM081-24 Reconstruction of new Facility at Carss Park - Options for funding

RESOLVED: Councillor Landsberry, Deputy Mayor, Councillor Borg

That, at the first Ordinary Meeting of the new term of Council, the General Manager and the Director Business and Corporate Services provide a report to Councillors with options for delivering \$10 million in funding over the next three (3) financial years towards the reconstruction of the new aquatic facility at Carss Park, in support of the NSW Government's commitment to rebuild the pool at its existing site.

These options should include but are not limited to:

- (i) the re-prioritisation of existing capital works funding; and
- (ii) allocation of additional capital works funding towards this project

Item: SAC006-25 Sportsfield Renovation Program 2024-25
Author: Director, Assets and Infrastructure
Directorate: Assets and Infrastructure
Matter Type: Committee Reports

RECOMMENDATION:

That the Georges River Council Sports Advisory Committee receive and note the Sportsfield Renovation Program 2024-25 as detailed in the attachment to this report.

EXECUTIVE SUMMARY

1. Georges River Council undertakes an annual Sportsfield Renovation Program to encompass various sportsfields throughout the local government area. The annual program includes soil testing, broadleaf herbicide application, aeration, systemic insecticide application, growth regulator and liquid fertiliser application, top dressing, turf patching, slow-release fertiliser application, soil amendment fertiliser application, wicket covering and uncovering, rye seed over sowing and irrigation maintenance and repair.
2. The attachment to this report provides the details of all activities undertaken, or to be undertaken at 15 locations during the 2024-25 financial year.

FINANCIAL IMPLICATIONS

3. Within budget allocation. Georges River Council has a budget of \$500,000 allocated to the Sportsfield Renovation Program in the 2024-25 financial year. This budget allocation excludes ongoing labour, materials and plant costs associated with mowing activities and general maintenance of the sportsfields.

RISK IMPLICATIONS

4. Strategic Risk 3: Assets and Infrastructure: The annual Sportsfield Renovation Program delivers essential maintenance works to ensure the required service levels are achieved and the useful life of sportsfields is in line with the Open Space Asset Management Plan.
